(530)527-6551 (FAX)

We realize that every person's financial situation is different. For this reason, we have worked hard to provide a variety of payment options to help you receive the dental care needed to enjoy a healthy and confident smile with respect to your budget.

DENTAL COVERAGE

As a courtesy to you, we will submit claims to your dental plan carrier. We also accept benefit consignment meaning that we will estimate the expected benefit payment and allow you to pay your estimated portion at the time services are provided. However, we do not guarantee any estimate, and should your dental plan pay less than expected, you are fully responsible for the balance. We take no responsibility for any estimate, for any denials by the dental plans. Since the insurance policy is an agreement between you and your insurance company, we ask that all patients be directly responsible for all charges. Please note that we will do everything possible to see that you receive the full benefits of your policy. If for some reason your insurance company has not paid their portion within 60 days from start of treatment, you will be responsible for payment at that time.

PAYMENT OPTIONS

1. **Cash:** We are happy to offer a 5% cash adjustment for payment at the time of service when insurance is not involved. Senior citizens 65 and over will receive a 6% adjustment when insurance is not involved.
2. **Check:** We are happy to offer a 5% cash adjustment for payment at the time of service when insurance is not involved. Senior citizens 65 and over will receive a 6% adjustment when insurance is not involved.
3. **Credit Cards:** For your convenience, we have made arrangements to accept payment by several credit cards: American Express, Visa, MasterCard, Discover, and Care Credit.
4. **Payment Plan:** For patients who desire a monthly payment plan, we have made arrangements with a finance company. There are no application fees or down payment with good credit. Some loans can be interest free. Applications are available at the front desk, and approval is provided quickly.
